

# 魔王城 おやすみ

...What's with this shield...?

So the Demon King Castle's cool enough to take an interest in collecting noble objects, huh...?

Wind is surging!

I guess it wouldn't be peculiar to find the Fabled Bedding (?), right...?

If it's here...

Augh-

She deliberately slips (?) above

!!

L... I'm falling...!

!?

Wicked Diamond

What-ever

!?

Demon King: The coldest who kidnapped the Princess in order to make the world live to the demons. He likes adjusting the game's balance and managing things.

Plus...

It's one of a kind, so you cannot regain another...

Ah, a hole opened up.

...It's extremely important, so...

Although it's a shield, it's fragile because it's a noble object...

I see! Working hard, huh?

It's probably because the forge is nearby.

At any rate, it's noisy... What's that sound?

A shield like that which makes mind surge!

But it's hard to transport, right...?

Alright, I took it apart...

The..  
comfort  
of this wind  
powered  
bed...!!

This  
gentle  
feel...

It's soft...  
and it's not  
affected by the  
darkness...

! This...
